

SHRI MANEKLAL M. PATEL INSTITUTE OF SCIENCES & RESEARCH

BSc CS-V Practical Examinations

Subject Name : Object Oriented Programming using Java **Subject Code :** CAM301-3C

Date : 30-06-2026

Time : 1:30 pm to 3:30 pm

Practical 1: Banking Transaction System

Problem Statement

Write a Java program to accept the following details:

- Account Holder Name
- Account Number
- Current Balance
- Transaction Type (D = Deposit, W = Withdrawal)
- Transaction Amount

The program should:

- Perform deposit or withdrawal.
- Do not allow withdrawal if balance is insufficient.
- Display:
 - Account Holder Name
 - Account Number
 - Previous Balance
 - Transaction Amount
 - Updated Balance

Concepts Covered

- Scanner Class
- Variables
- if-else
- Arithmetic Operators
- Relational Operators

Practical 2: Product Billing System

Problem Statement

Write a Java program that accepts:

- Product Name
- Quantity
- Price per Unit

Calculate:

- Total Amount
- Discount
 - 15% if Total > ₹10,000
 - 10% if Total > ₹5,000
 - Otherwise No Discount
- GST = 18%
- Final Payable Amount

Display the complete bill.

Concepts Covered

- Variables
 - Arithmetic Operators
 - if-else Ladder
 - Input/Output
-

Practical 3: Course Registration System

Problem Statement

Display the following menu:

1. BCA
2. B.Sc. Computer Science
3. M.Sc. IT
4. MCA

Accept:

- Student Name
- Course Choice
- Hostel Required (Y/N)

Assign fees:

Course Fee

BCA ₹45,000

B.Sc. CS ₹40,000

M.Sc. IT ₹60,000

MCA ₹70,000

If hostel is required, add ₹25,000.

Display:

- Student Name
- Course Name
- Tuition Fee
- Hostel Fee
- Total Fee

Concepts Covered

- switch-case
- Variables
- Arithmetic Operators
- Input and Output

Practical 4: Employee Performance Evaluation

Problem Statement

Accept:

- Employee ID
- Employee Name
- Attendance (%)
- Performance Score (out of 100)

Calculate Rating:

Score	Rating
90 and above	Excellent
80–89	Very Good
70–79	Good
60–69	Average
Below 60	Needs Improvement

If attendance is below 75%, display:

Not Eligible for Performance Bonus

Otherwise display:

Eligible for Performance Bonus

Display all employee details.

Concepts Covered

- if-else Ladder
- Relational Operators
- Logical Operators
- Variables

Practical 5: Restaurant Billing System

Problem Statement

Display the following menu:

1. Pizza ₹250
2. Burger ₹150
3. Sandwich ₹120
4. Coffee ₹80

Accept:

- Customer Name
- Item Choice
- Quantity

Calculate:

- Total Amount
- GST = 5%
- Grand Total

Display the complete bill.

Concepts Covered

- switch-case
- Arithmetic Operators
- Scanner Class
- Variables
